Itinerary

Important Note: Attractions, Workshops and Demonstrations May Change According to Availability and Scheduling

Day 1: Dublin Arrival, Dublin City Tour & Constant Knitter

Begin your knitting tour of Ireland with a transfer to your hotel (for arrivals prior to 10:30am). After the tour introduction at your hotel, pay a visit to The Constant Knitter. This has been a favoured stop of many of our knitters through the years. Meet a local craftsperson for a demonstration and informal chat about their craft topic which will either be knitwear design or Irish Lace crochet depending on designer availability. Next, it's off to the National Museum of Ireland – Archaeology, Ireland's most important cultural institution which was established in 1877 as the primary repository of the nation's archaeological treasures. These include the most famous of Ireland's crafted artefacts, the Ardagh Chalice and the Tara Brooch, dating from the 12th and 8th centuries respectively. They are part of the Treasury, itself part of Europe's finest collection of Bronze and Iron Age gold artefacts, and the most complete assemblage of medieval Celtic metalwork in the world. Return to your hotel where you will have time to relax before your evening welcome dinner at the hotel.

Day 2: Travel to Kerry via Cahir Castle

Today your knitting retreat will take you to Kerry via the remarkable Cahir Castle. One of Ireland's best-preserved Castles, Cahir sits on a rocky island above the river Suir. Once the home of the powerful Butler family, the castle's keep, tower and defensive structures remain intact. Continue to Parknasilla Resort Hotel and meet your host, one of Ireland's most famous knitters, Carol Feller. You will spend a lot more time with Carol over the next few days spent in Kerry, so this evening is an informal get together and 'get to know each other' session with some informal knitting thrown in for good measure!

Day 3: Knitting, Whiskey, Chocolate and Trad!

Over the course of this knitting retreat you'll work on a very special cabled hat and cowl set with Carol which you will start today. Both of these patterns will provide a great learning experience as they are knit from side-to-side with some fantastic techniques! You'll learn how to do a provisional cast-on, cables without a cable needle, short rows in pattern and grafting in pattern. Carol will walk you through every step of the project over the following days. Learn how to tighten up loose cables and fix cable mistakes. Go on a virtual tour of the Irish Mills with Carol and even learn how to pick the right size garment to knit. This afternoon, enjoy a Whiskey and Chocolate Tasting Event where experienced whiskey and chocolate connoisseurs will take you through the history of Whiskey in Ireland and how to pair it with the perfect chocolate flavour. You can enjoy samples of both or either! This evening after dinner enjoy a Traditional Irish Music Session in the hotel's bar.
